Non-pass categories - (recommendations where the MPhil is not to be awarded at this stage)

4)	Major revisions and re-submission for the MPhil The thesis is not of the standard required for the award at this time but may be resubmitted for examination for the award of Master of Philosophy. This category allows for a period of up to 12 months (18 months if the candidate was registered as part-time) during which the candidate is required to thoroughly revise their thesis for resubmission, using the guidance set out in the examiners' joint report. The candidate will be registered on re-submission status for this period. A further <i>viva voce</i> examination may be held if required by the examiners. Note that this decision can only be taken once the revised thesis has been submitted and read by the examiners.
5)	Fail The candidate be failed and not be permitted to revise and re-submit the thesis for examination.

It is University policy that the joint report of the examiners is released to the supervisor and candidate

If you do not wish this report to be released to either the supervisor, the candidate, or both, please state this below and outline the reasons why:
